INTERIM RESULTS ANNOUNCEMENT FOR 2009

Prosperity Real Estate Investment Trust (“Prosperity REIT”) is a real estate investment trust incorporated by a trust deed entered into on 29 November 2005, as amended by a first supplemental deed dated 12 December 2005, a second supplemental deed dated 15 May 2007 and a third supplemental deed dated 14 May 2008 (collectively the “Trust Deed”) and made between ARA Asset Management (Prosperity) Limited, as the manager of Prosperity REIT (the “REIT Manager”), and HSBC Institutional Trust Services (Asia) Limited, as the trustee of Prosperity REIT. Prosperity REIT was the first private sector Real Estate Investment Trust (“REIT”) to list on the Stock Exchange on 16 December 2005 (the “Listing Date”). Prosperity REIT owns a diverse portfolio of seven high-quality commercial properties in Hong Kong.

The REIT Manager is pleased to announce the unaudited interim results of Prosperity REIT and its subsidiaries for the six months ended 30 June 2009 (the “Reporting Period”) together with comparative figures for the corresponding period in 2008 as follows:

DISTRIBUTABLE INCOME FOR THE PERIOD

For the Reporting Period, the unaudited distributable income of Prosperity REIT to unitholders of Prosperity REIT was HK\$73,065,000, representing DPU of HK\$0.0554. The distributable income for the Reporting Period is calculated by the REIT Manager as representing the consolidated net profit of Prosperity REIT and the subsidiaries of Prosperity REIT for the Reporting Period, as adjusted to eliminate the effects of certain non-cash adjustments (as defined in the Trust Deed) including finance cost of HK\$16,522,000 (equivalent to HK\$0.0125 per unit) due to the interest rate swap, which have been recorded in the consolidated income statement.

DISTRIBUTION

It is the policy of the REIT Manager to distribute to unitholders an amount equal to 100% of Prosperity REIT's annual distributable income. Pursuant to the Trust Deed, Prosperity REIT is required to ensure that the total amount distributed to unitholders shall be no less than 90% of Prosperity REIT's annual distributable income for each financial year.

The interim DPU is HK\$0.0554, representing an annualized distribution yield of 10.5%, based on the closing unit price of HK\$1.06 as of 30 June 2009, which is higher than 2008's corresponding half year by 14.1%. The payment date of interim distribution will be on Tuesday, 27 October 2009.

Business Overview

Despite the impact of the global economic downturn, Prosperity REIT has maintained positive results in terms of revenue and net property income in the first six months of 2009. Total revenue and net property income grew by 1.8% and 0.1% year-on-year ("YoY") respectively. A trending to zero delinquency rate has been achieved during the Reporting Period.

I am pleased to announce that our unitholders will receive an interim DPU of HK\$0.0554 for the Reporting Period, representing an annualized distribution yield of 10.5%.

Prosperity REIT's performance during the Reporting Period reflects our balanced tenant mix, effective property management and close business relationships with tenants.

Market Review

Although the state of the global economy continues to present challenges, the current market outlook appears to be more positive than it was a few months ago.

Recent Gross Domestic Product ("GDP") growth figures indicate that the Greater China region has been resilient and is likely to be amongst the first major economies to recover from the global financial crisis. The Chinese Government's stimulus package has been felt and GDP growth has bounced back to an annualized rate of 8% in the second quarter of 2009. This has caused a favourable impact on Hong Kong's economy and has enhanced business confidence in the territory. There has been a substantial rise in the Hang Seng Index since March 2009 and increased interest in the property sector.

During the Reporting Period, an agreement was reached between the People's Bank of China and the Hong Kong Monetary Authority to allow the use of the Renminbi for the settlement of cross-border trade. The agreement has been widely welcomed and is expected to strengthen Hong Kong's position as an international financial and commercial centre.

High rents in the core business districts and cost-consciousness of corporations amidst the financial turmoil have sped up the decentralization trend in the commercial property market. This has boosted interest in re-locating offices to decentralized areas where Prosperity REIT's portfolio is well represented.

Offering higher and more consistent yields as compared to direct property investment, Prosperity REIT represents an attractive alternative to conventional property investments.

Operations Review

Our encouraging performance, though amidst the challenging wider macro-economic conditions, suggests that Prosperity REIT's operating strategy is working well.

By responding quickly to market conditions and implementing an effective tenancy recruitment policy, we have attained a satisfactory operational performance. During the Reporting Period, the average effective unit rent rose by 6.3% YoY to HK\$14.96 per sq. ft., while the portfolio's occupancy rate was 93.2% as at 30 June 2009. Revenue and net property income rose to HK\$131.23 million and HK\$103.64 million respectively. The rental reversion rate and tenant retention rate remained positive at 12.9% YoY and 60.3% YoY respectively.

The cost-to-revenue ratio and gearing ratio remained sound at 21.0% and 35.7% respectively as at 30 June 2009.

Prospects

We are cautiously optimistic about the upcoming economic prospects. Hong Kong's economy is poised to benefit from the Mainland's growth prospects and supportive policies.

With our solid fundamentals, aggressive leasing initiatives, cost effective asset enhancement strategies and market standing in high-quality Grade A office, industrial/office and industrial property sector in Hong Kong, Prosperity REIT is well-positioned to maintain our steady performance.

Acknowledgement

Finally, I would like to take this opportunity to thank my colleagues on the Board, our management team, property managers, service providers and partners for their loyalty, integrity and efforts. They have made invaluable contributions to Prosperity REIT, for which I am deeply grateful. I would also like to thank all our unitholders for their unwavering support.

MANAGEMENT DISCUSSION AND ANALYSIS

Operations Review

Prosperity REIT owns a geographically diverse portfolio of seven commercial properties in the decentralized business districts of Hong Kong, comprising all or a portion of, three Grade A office buildings, three industrial/office buildings and one industrial building. The total gross rentable area is 1,215,579 sq. ft., and there are 407 car park spaces.

Information on the properties portfolio as at 30 June 2009 is as follows:

	Location	Gross rentable area	No. of car park spaces	Valuation
		<i>Sq. ft.</i>		<i>HK\$ Million</i>
Grade A Office				
The Metropolis Tower	Hunghom	271,418	98	1,796

New Treasure Centre (portion)	San Po Kong	86,168	22	155
Total		<u>1,215,579</u>	<u>407</u>	<u>4,887</u>

Amidst the backdrop of the global economic downturn, the commercial property sector in Hong Kong has been under pressure during the past six months. Despite this, Prosperity REIT had been able to achieve reasonable organic growth during the Reporting Period, reflecting the REIT Manager's assertive leasing strategies and close business relationships with tenants. A healthy occupancy rate of 93.2% was recorded as at 30 June 2009.

Both overall revenue and the average effective unit rent showed an increase of 1.8% YoY and 6.3% YoY respectively. A positive rental reversion rate of 12.9% was also achieved.

Prosperity REIT's cost-to-revenue ratio remained relatively low at 21.0% at the end of the Reporting Period, thanks to a determined effort to control costs and enhance operational efficiency by the REIT Manager. The gearing ratio was a healthy 35.7% as at 30 June 2009, providing Prosperity REIT with the

financial flexibility to capitalize on any upcoming investment opportunities that may arise.

Investment Review

Following approval from unitholders last year to expand Prosperity REIT's acquisition scope to include investment in office, commercial and retail properties, with no geographical restrictions, the REIT Manager has been active in evaluating acquisition opportunities that would provide yield-accretive growth. The REIT Manager will continue to prudently assess acquisition targets against its strict investment criteria, which include asset enhancement potential, existing tenant base, as well as the synergies with Prosperity REIT's existing portfolio.

Asset Enhancement

Asset enhancement is a key tenet in the REIT Manager's ongoing and integral strategy to upgrade tenants' business environment. Such asset enhancement activities help to achieve continual growth in rental income, maintain high occupancy and enhance property value.

The REIT Manager has been proactively planning and implementing asset enhancement initiatives with large-scale works being undertaken at Prosperity Place and The Metropolis Tower. A number of asset enhancement works were completed during the Reporting Period and going forward, more plans will be put in place in other properties within the portfolio.

Prosperity Place

Prosperity Place is a high-rise industrial/office building, formerly known as Modern Warehouse. The ground-floor lobby and upper-floor passenger lift lobbies were upgraded to provide a contemporary and modern office ambience. The renovation of the façade of the building is currently underway and is scheduled to be completed within the third quarter of 2009. The next phase of renovation is the creation of an environmentally- friendly roof top garden, which is due for completion by the end of the year. The garden would be accessible for the enjoyment of the Prosperity Place tenants and feature a number of energy saving measures.

Upon completion of the renovation works, Prosperity Place would be completely re-branded as a premier commercial landmark in the Kowloon East district.

The Metropolis Tower

The Metropolis Tower is located in the prime commercial hub of Hunghom in Kowloon. It is one of the major grade A commercial buildings in the Prosperity REIT portfolio. Asset enhancement works at The Metropolis Tower involve the upgrading of all common washrooms in the building. The works are expected to be completed within the last quarter of 2009.

Outlook

The REIT Manager has been effectively managing and operating Prosperity REIT since the Listing Date. While the office, industrial/office and industrial leasing markets are expected to be challenging in the short term, Prosperity REIT is well placed for future growth. With its extensive experience and management expertise, as well as the diligence and professionalism of Goodwell-Prosperity Property Services Limited, the property manager of Prosperity REIT, the REIT Manager is confident of delivering stable and sustainable returns to unitholders.

Financial Review

The revenue and net property income of each property in the portfolio for the Reporting Period are summarized as follows:

	Turnover	Rental related income	Revenue	Net property income

New Treasure Centre (portion)	4,664	795	5,459	4,490
Total	110,422	20,808	131,230	103,638

Revenue

During the Reporting Period, revenue improved to HK\$131.2 million, being HK\$2.3 million or 1.8% higher than the last corresponding half year.

The revenue comprised HK\$110.4 million worth of rental and car park income, plus HK\$20.8 million of rental related income. Rental and car park income was HK\$2.2 million or 2.0% above the last corresponding half year. This increase was mainly due to an effective and proactive lease management system which led to an overall improvement in average effective unit rent.

Net Property Income

The net property income was HK\$103.6 million, exceeding the last corresponding half year by HK\$0.1 million or 0.1%. The cost-to-revenue ratio was 21.0%.

Liquidity and Financing

As at 30 June 2009, Prosperity REIT had a facility of HK\$1,900 million, comprising a HK\$1,770 million term loan facility and a HK\$130 million revolving credit facility, each for a term of five years expiring on 16 December 2010. The whole term loan facility was fully drawn on the Listing Date and none of the revolving credit facility balance was drawn as at 30 June 2009. The term loan is repayable in five years from the date of the drawdown. The revolving facility will be repaid on each maturity date and can be redrawn upon maturity.

Each of the term loan facility and the revolving credit facility bears interest at a variable rate. In order to hedge against fluctuations in interest rate under the term loan, Prosperity REIT's finance company entered into three separate plain vanilla interest rate swap agreements to fix the interest rates for 100% of the HK\$1,770 million term loan until 16 December 2010 at the weighted average swap rate of 2.472%, excluding the spread of 0.49%.

The total borrowings of Prosperity REIT, excluding the origination fees, as a percentage of Prosperity REIT's gross assets was 35.7% as at 30 June 2009, whereas the gross liability of Prosperity REIT as a percentage of Prosperity REIT's gross assets was 44.5%.

Prosperity REIT, with a cash balance of HK\$57.0 million and an available revolving credit facility of approximately HK\$130 million as at 30 June 2009, has sufficient financial resources to satisfy its commitments and working capital requirements.

Highlights for financial position

As at 30 June 2009, the seven properties of Prosperity REIT, with an aggregate carrying value of HK\$4,846.4 million, were pledged to secure bank loan facilities of Prosperity REIT's finance company.

Prosperity REIT and its subsidiaries have provided guarantees for the loan facility of HK\$1,900 million, comprising a HK\$1,770 million term loan facility and a HK\$130 million revolving credit facility.

EMPLOYEES

Prosperity REIT is managed by the REIT Manager and does not employ any staff itself.

REPURCHASE, SALE OR REDEMPTION OF UNITS

During the Reporting Period, other than the disposal of 14,499,000 units by the REIT Manager which the REIT Manager received as payment of its management fee, there was no purchase, sale or redemption of the units of Prosperity REIT by Prosperity REIT or subsidiaries of Prosperity REIT.

CORPORATE GOVERNANCE

The REIT Manager was established for the purpose of managing Prosperity REIT. The REIT Manager is committed to the establishment of good corporate governance practices and procedures. The corporate governance principles of the REIT Manager emphasize a quality board of directors, sound internal control, and transparency and accountability to all unitholders. The REIT Manager has adopted its compliance manual (the "Compliance Manual") for use in relation to the management and operation of Prosperity REIT which sets out the key processes, systems and measures, and certain corporate governance policies and procedures to be applied for compliance with all applicable regulations and legislation. During the Reporting Period, both the REIT Manager and Prosperity REIT have complied with the provisions of the Compliance Manual.

CLOSURE OF REGISTER OF UNITHOLDERS

The register of unitholders will be closed from Thursday, 15 October 2009 to Tuesday, 20 October 2009, both days inclusive, during which period no transfer of units will be effected. In order to qualify for the distribution, all unit certificates with completed transfer forms must be lodged with Prosperity REIT's unit registrar, Computershare Hong Kong Investor Services Limited, at Shops 1712-16, 17/F., Hopewell Centre, 183 Queen's Road East, Wanchai, Hong Kong, not later than 4:30 p.m. on Wednesday, 14 October 2009. The payment date of interim distribution will be on Tuesday, 27 October 2009.

REVIEW OF INTERIM RESULTS

The interim results of Prosperity REIT for the Reporting Period have been reviewed by the Disclosures Committee and the Audit Committee of the REIT Manager and by the Prosperity REIT's auditors in accordance with Hong Kong Standard on Review Engagements 2410 "Review of Interim Financial

Information Performed by the Independent Auditor of the Entity” issued by the Hong Kong Institute of Certified Public Accountants.

PUBLIC FLOAT

As far as the REIT Manager is aware, more than 25% of the issued units of Prosperity REIT were held in public hands as at 30 June 2009.

ISSUANCE OF INTERIM REPORT 2009

The Interim Report 2009 of Prosperity REIT for the Reporting Period will be published on the websites of the Stock Exchange and Prosperity REIT and will be dispatched or sent to unitholders on or before 31 August 2009.

Notes

(1) Principal Accounting Policies

The condensed consolidated financial statements have been prepared under the historical basis, except for investment properties and certain financial instruments, which are measured at fair values.

A number of new or revised standards, amendments and interpretations (“new HKFRSs”) issued by the Hong Kong Institute of Certified Public Accountants (“HKICPA”) are effective for the financial year beginning on 1 January 2009. Except as described below, the same accounting policies, presentation and methods of computation have been followed in these condensed consolidated financial statements as were applied in the preparation of Prosperity REIT and its subsidiaries’ (“the Group”) annual financial statements for the year ended 31 December 2008.

HKAS 1 (revised 2007) Presentation of Financial Statements

HKAS 1 (revised 2007) has introduced a number of terminology changes (including revised titles for the condensed consolidated financial statements) and has resulted in a number of changes in presentation and disclosure. However, HKAS 1 (revised 2007) has had no impact on the reported results or financial position of the Group.

HKFRS 8 Operating Segments (“HKFRS 8”)

HKFRS 8 requires the identification of operating segments to be performed on the same basis as financial information that is reported internally for the purpose of allocating resources between segments and assessing their performance. The predecessor standard, HKAS 14 Segment Reporting (“HKAS 14”), require the identification of business and geographical segments using a risks and returns approach. All of the Prosperity REIT’s operations are located and carried out in Hong Kong, and the sole principal activity of Prosperity REIT is investing in offices and commercial properties. Accordingly, no segment information by business and geographical segment was presented under HKAS 14 in prior periods. In the current period, Prosperity REIT adopted HKFRS 8 and the segment information is set out in note 4.

Amendments to HKAS 32 Financial Instruments: Presentation – Puttable Financial Instruments and Obligations arising on Liquidation (“HKAS 32 (Amendments)”)

HKAS 32 (Amendments) require that if an entity has instruments, or components of instruments, that impose on the entity an obligation to deliver to the holders a pro-rata share of the net assets of the entity only on liquidation, such instruments or components, should be presented as equity if

certain specified criteria are met. The REIT Manager has considered the amendments and has determined that HKAS 32 (Amendments) has no material impact to the accounting treatment for the units issued to unitholders as the component of the units that would be classified as equity is insignificant. Accordingly the units continue to be classified as financial liabilities, representing the obligation of the Prosperity REIT to distribute no less than 90% of Prosperity REIT's distributable income to the unitholders.

The adoption of the remaining new HKFRSs had no material effect on the results or financial position of the Group for the current or prior accounting periods. Accordingly, no prior period adjustment has been recognised.

The Group has not early adopted the following new and revised standards, amendment or interpretations that have been issued but are not yet effective. The REIT Manager is in the process of assessing the potential impact on the results and the financial position of the Group.
